Plot with Unique Location for Construction

Privileged land, located in the urban fabric of the Municipal Master Plan (PDM), presents a unique opportunity to realize its residential vision.

Intended for the realization of a residential building, this urban land offers the ideal location to create a unique condominium just a few minutes walk from the wonderful beach of Olhos de Água.

In addition, it is a strategic choice for investors, allowing the construction of an apartment building with 3 floors. This flexibility provides maximizing return on investment, making this land an attractive option for those seeking promising opportunities in the real estate industry.
